

APPLICATION FOR ENROLLMENT 2020/21

Child's Name _____ DOB ____/____/____

Prior to completing the enrollment application, please confirm:

____ Our family has submitted an online registration form (or provided the info to Shelley)

____ Our family has toured the Wildflower facility

The purpose of this application is to ensure that you have had an opportunity to pose any questions you have, to have any concerns addressed and to provide additional information to our staff as we prepare for your family to become a part of our community.

After touring our school and speaking with Shelley, please describe any questions that might be lingering about your child's enrollment (i.e. How does Wildflower handle transitions? What is your policy on potty training? What about food allergies?)

What concerns, if any, arose during your Wildflower tour? Please feel free to share honestly and openly. We deeply value your perspective and take your thoughts and opinions seriously. We will not be offended!

How will your family manage a part-time preschool experience? (i.e. Does one parent stay at home with the children? Do you have a nanny?)

Does your family anticipate **any obstacles** to remaining in our school for the duration of the school year? (i.e. Yes, we know we are moving in February.)

What are your family's specific hopes for what your child will experience at Wildflower? (i.e. We hope our child will play outdoors for several hours every day! Or We want our child to know all of her letters by the end of the year.)

What is the primary reason your family chose Wildflower?

_____ proximity to home

_____ Wildflower's philosophy (Reggio Emilia-inspired, nature-based, child-directed)

_____ Wildflower's commitment to extended outdoor play time

_____ Wildflower's community-based approach (family breakfasts, Sunsets at Wildflower, Parent Collaboration Gatherings, etc)

Other: _____

Please describe your expectations for parent communication from Wildflower teachers and administration. (i.e. I prefer an email once a week/day describing what the children are exploring. Or I want direct communication each week specifically about my child.)

If your child has attended preschool previously, please describe any negative experiences you had there (and hope to avoid at Wildflower).

Please describe any needs your child has that you hope we can help your family navigate. (i.e. sensory challenges, transition difficulties, particular fears)

If there is any other information you think would be helpful for us to know in order to support your family best, please include it here.

Parent Signature

Date

Once complete, please email this form to Shelley@WildflowerLearningCommunity.org. If you have questions or if we would like additional information, we can schedule a second meeting.

Our Enrollment Fee is \$500 and is non-refundable. This fee is due with your signed contract. This Application for Enrollment **does not** obligate you to enroll. It is part of the enrollment process, but requires no payment or commitment. We take the enrollment process seriously and aim to provide as much time as a family needs to make this very important decision.
